

Teacher Training 2010 USING TECHNOLOGY IN THE CLASSROOM

Course Dates: 1 August – 14 August 2010	Course Location: The University of Kent in Canterbury	Course Fees: £855	Course Code: TUT32
---	---	-----------------------------	------------------------------

Technology is an ever-increasing part of the English Learning experience. This two week practical course is for teachers who are interested in looking at the vast array of ways of using technology sensibly in the classroom. We will discuss techniques and tools that will help the teacher incorporate the technology in their everyday teaching.

In particular we will be experiencing ideas around:

1. Authoring tools (blogs, wikis, etc)
2. Google applications for teachers
3. Integrating the technology
4. Games and gaming in Language Learning

An intermediate (or B1) level of language is minimum requirement to attend this course.

Type of the certification awarded in the language of the training:

Attendance certificate detailing topics covered and course content.
